## BOOKS, GAMES, PUZZLES & CRAFTS

### Tape

Only use painter's or masking tape on books, games, puzzles so that the cover is not ripped when the tape is removed.

### Bundling Books

We recommend selling books singly BUT if you have books of the same author or theme, you can bundle them together using a ziploc bag or curling ribbon

### Games, Puzzles, Crafts

Ensure all pieces are present. Crafts must be sold in boxes; no bagged crafts please.

Peg puzzles can be wrapped with plastic wrap and taped closed (see photo)
